

Equipment Financing – Fast & Easy Process

Business Finance Solutions has designed a flexible equipment and software financing program for small and mid-sized companies.

Our equipment financing program is for:

- ◆ Young companies needing to purchase new (or used) equipment to take advantage of business opportunities.
- ◆ Companies needing to buy special order equipment that takes time to customize, manufacture or install.
- ◆ Companies that need buy key equipment or components in stages.

Equipment Financing Advantages

- ◆ Affordable monthly payments—Preserve your working capital for business needs
- ◆ Conserve your bank credit lines
- ◆ Re-finance existing equipment to reduce payments, improve or free cash flow

Our Equipment Financing Process

- ◆ Select your equipment and get a written quote (total costs including taxes, installation and fees).
- ◆ Download and complete our one page application (click on link)
[Equipment Financing Application](#)
- ◆ Fax, email or call us for friendly service.
