Notice: To help the government fight the funding of terrorism and money laundering activities, U.S. Federal law requires financial institutions to obtain, verify and record information that identifies each person (individuals or businesses) who opens an account. What this means for you: When you open an account or add any additional service, we will ask you for your name, address and taxpayer identification number that will allow us to identify you. We may also ask to see other identifying documents. Rev. 03.16.2005
